

Mistral Large 4: public-preview source note

Original summary — NOT the original paper or model card.

Product announcement; no standalone technical paper linked · 2026-10-06 [34]

Authors/source: Mistral AI

Coverage: Video topic

What the source reports

Mistral announces a multimodal mixture-of-experts model and a public API preview, with coding, agent and enterprise evaluations. [34]

Managing expectations

The announcement promises weights by the end of October; do not describe them as already released at the time of this review. Vendor benchmark results do not establish superiority across all workloads. [34]

Original document and sharing status
